¶1. (SBU) P/E Chief called on Counselor Ahmed Said al Kathiry, Deputy Chief of the American Affairs Department of the Omani MFA on September 9. He used the call to follow up for a second time on a previous notification for the U.S. candidacy of Ms. Lucretia F. Myers for a position on the United Nations International Civil Service Commission.

¶2. (C) Al Kathiry said that other candidate countries had also contacted his ministry in support of their candidates and that he now doubted if there would be any formal announcement of support for any of the candidates. "That will come in the vote itself," he said.
